## Klamath Falls Overnighter

Get ready for a wild ride and a great adventure. First stop Harry & Davids to shop for goodies. Then off the historic town of Klamath Falls where you will find beautiful historic buildings and artistic murals. We will have lunch downtown and check out the antique shops and the main museum. Lunch on your own. We will then head off for a boat trip on Klamath Lake. Pelicans, eagles and other wildlife should be seen. We will have a small sundowner on the boats, no rowing involved.

We'll then have a no host dinner and go to the Ross Ragland Theater for the "Sons of the San Joaquin" - an upbeat trio of brothers who sing Western Music.

Saturday will be spent visiting the Famous Hole-in-the-Ground - a large crater nearly one mile across and 300 hundred feet deep. Also we will also visit the Crack in the Ground - a large deep fissure 2 miles long and 70 feet deep. Pictures at Table Rock and a huge delicious dinner at the Cowboy Tree restaurant in Silver Lake. And more... Staying at the Red Lion Inn Klamath falls. Fees include entrances, hotel and all fees.

**Extra Cost: Lunch both days and dinner the first night.**

**Some walking involved.**
